

26 June 1958

TO CHIEFS: D/I, D/M, D/S, D/GG, St/FM

SUBJECT : Adlai Stevenson's Visit to USSR

1. This is to solicit requirements for Mr. Stevenson and party. They are now in Europe and will go to the USSR 14 July. He will be briefed at the Embassy. It is presumed that Mr. Stevenson will have contact with various levels of the Soviet hierarchy including the top echelon.
2. One of the party is Robert Tucker of the Rand Corporation, an expert on the USSR.
3. It is known that Mr. Stevenson is interested in the aluminum industry and in the diamond industry. ORR is preparing position papers on these two industries for Mr. Stevenson's use. A very quick survey in the Library has failed to reveal other industrial or business interests which might parallel ORR's interests.
4. It may be presumed that Mr. Stevenson is well informed on Soviet affairs in general.
5. It is believed that the party will include the following cities in their itinerary - and may stay two days in each:

Leningrad	Novisibirsk
Moscow	Sverdlovsk
Tashkent	Gorki
Rubtesovsk (new lands)	
6. You are invited to submit a limited number of requirements for Mr. Stevenson that are appropriate to his status, his background, and his probably contacts.
7. Because the collated requirements have been requested to be in the AD's Office by tomorrow (Friday), it will be appreciated if you can have your contribution in [REDACTED] hands preferably by cob Thursday, or by 0930 Friday at the latest.
